

**paridahyati**, °te (pass. to Skt. paridahati, which seems recorded only in lit. sense, *burns*; Pali paridayhati, subject cittam, Therag. 1224), *is tormented* (with passion or desire; cf. **paridāha** etc.): rāgena °hyāmi Dlv 420.6; ahāratṣṇā-°hyamānāḥ SP 84.14.

**paridāgha**, m. (nowhere recorded; cf. next; Pali pariñāha in all mgs.), (1) *hot weather*: °gha-samayaḥ Prāt 517.12 (not noted in this sense in PTSD, but found in Vin. iv.117.30 pariñāha-samaye); (2) *ardent desire* (Pali kāma-pariñāha MN 1.241.5), kāma-paridāghā, Bhvr., *having an ardent desire for lusts*, Mv ii.121.4; read °ghaḥ in Karmav 37.19 with ms. for text pradāsaḥ; vimuktah paridāghaiḥ Mvy 401, said of a Tathāgata, perhaps rather to mg. 3; Tib. yoñs su gduñ ba, which is equally ambiguous, having the same two mgs.; (3) *torment, anguish*: antaḥsalya-paridāgha-jāta, see s.v. **antaḥsalya**; śokaśalya-paridāgham (acc.) Mv ii.224.4; rūpa-(or, in 8, vijñāna-)pratyayā ... paridāghā Mv iii.338.2, 8; jvara-°ghaḥ Dh 48.19; dvau ... °ghau (text °gho) KP 117.1, 3 (Tib. as on Mvy 401 above; parallels vrāṇa in 116.1 and glānya 118.1 indicate this mg. rather than 2).

**paridāha**, m. (Skt. only lit. *burning*, and fig. *mental anguish*; = Pali pariñāha; cf. **paridahyati**, **paridāgha**, and **nispardidāha**), (1) *fever* (disease): Mvy 948.5, in list of diseases, Tib. tsha ba, *heat*; (2) *feverish longing, ardent desire*, substantially = tṛṣṇā, as a vice: kāmeṣu °haḥ LV 246.13; in lists of vices, LV 52.14; Śikṣ 198.8; Dh 25.4.

**paridipana** (? nt.), °na-tā, °nā, f. (= Pali °na, °nā; n. act. to next; clear cases of °na, nt., not recorded, prob. by accident), *explanation, clarification, expounding, setting forth*: (sattva-) °nā kṛtā AsP 47.8; sarvasaṃśāranityatvaparidipanatāyai Gv 527.17; °panān, ifc. Bhvr., Gv 278.13; °panākāraṇam, Bhvr., Bbh 96.21 ff.

**paridipayati**, °te (= Pali °peti; cf. prec.), *makes clear, explains, expounds, sets forth*: °yanti SP 53.14 (ekam ... yānam); °yāmi Gv 152.19; °yati Bbh 50.8 (artham); °yan (pres. pple.) Sukh 49.2; °yamāna Bhad 26 (bodhicaram); Gv 88.15 (bodhicittam); 243.20; °yitum, inf., LV 377.14 (jñānam); Gv 135.15; °dipita, ppp., Śikṣ 124.6; anāmakāḥ sarve dharmāḥ nāmā tu paridipitāḥ Śikṣ 241.14 (vs), ... but they are distinguished (conventionally) by name(s).

[**paridyāna**, °nāḥ Ud v.10, acc. to Chakravarti from Dhātup. dyai-, nyakkaraṇe; but v.l. paridyūnā, which is confirmed by Pali pariñunnā in the same vs Ud ii.7; see **parijūna**.]

**paridrava** (m.? = Pali pariddava, to which it is prob. a hyper-Sktism; etym. of the Pali word obscure, see PTSD for Trenckner's not very attractive theory), *lamentation*: saha-śoka-paridravām ca Dbh.g. 11(347).3, so all Susa's mss.; text em. °pardevanam (1), as if for parid°; this is not only formally monstrous but metrically impossible.

**paridhāvana**, nt. (not in Pali, and not in this sense in Skt.; to pari-dhāv with suffix ana), *running around*: Śikṣ 268.13, see s.v. **ādhāvana**.

**paridhauta**, ppp. (cf. Skt. dhauta; = Pali °dhota, to paridhovati, Chap. 43, s.v. dhovati), *washed, cleaned*; as periphrasis for verb, *was cleaned*: garbhamalam °tam Mv iii.144.11.

[**parinikāsa**, LV 371.11 (vs), kāmakrodhā mohaprabhā jagatparinikāsāḥ, both edd., no v.l.; but read jagat� arinikāsāḥ, *having the aspect of enemies in the world*.]

**parinikṣipta**, adj. (cf. next; ppp. of unrecorded pariñ-kṣip), app. *formed, fashioned*; su-parinikṣipta-lalāṭa SP 350.12, *he has a well-formed forehead* (so Kern; Burnouf very high); Tib. dpral bahi (forehead) dbyes che ba (said to mean of great size, used for vistirṇa, and app. for prthu); cf. the 71st **anuvyañjana** in Mvy 339 supariñata-(well-developed?)lalāṭaḥ, Tib. dpral ba legs par dbyes pa; cf.

Burnouf, Lotus, 604 (other texts speak of a *broad*, prthu, forehead).

**parinikṣepa** (m.; see prec.), *form* (?): paramapuruṣāḥ te p' ime imasya mānuṣasya (so mss.) parinikṣepam pi na jānanti Mv ii.278.4 (one of the sad reflections of Māra about the Bodhisattva), *these Supreme Persons do not know even the form of this human (species)*, i. e. they are completely superhuman (?); otherwise but implausibly Senart, who was not aware of **parinikṣipta** SP 350.12.

**parinirvāṇa**, nt. (= Pali °nibbāna), *complete nirvāṇa*: Mvy 186; 1370 (mahā-p°); 4106; SP 319.5; LV 428.15; Mv ii.157.5; Av ii.197.6 ff. (with description); etc., passim. Note Bbh 55.17–18 prapañca-nirodho bodhisattvasya mahāyāna-parinirvāṇam iti veditavyam (a reinterpretation of the old term); see **prapañca**.

**Parinirvāṇa(-sūtra)** = **Mahā-pari**°: Karmav 156.15.

**parinirvāti**, °vāyati, caus. °vāpayati (= Pali id., caus. regularly °vāpēti; cf. **prati-nir**°), (1) *enters* (caus. brings to) *complete nirvāṇa*: °vānti Divy 150.18; °vātu Divy 202.4; °vāsyanti LV 401.7; °vāsyati Divy 90.10; °vāyanti Mv i.63.3; 301.4; a-°vāyan, pres. pple., SP 320.4 (Kashgar rec. °vāyamānaś); °vāyamāna(h) SP 319.4; aor. °vāyet Mv i.267.18 (v.l. °ye); °vāye Mv iii.97.7; caus.
