

as a devakumārikā in the northern quarter, Mv iii.309.9 = LV 391.4 (vs).

**Hrīdeva**, n. of a Tuṣita god: LV 183.16.

**hrīyāyati**, see **hriy°**.

**hrīr-apatrāpya**, nt. (doubtless represents an imperfect Sktization of the Pali cpd. *hirottappa*, *hirotappa*, which represents Pali *hiri*, *hiri* (Skt. *hrī*) plus Pali *ottappa* = BHS *apatrāpya*; in the Pali cpd. stem-final *i* has been

lost before *o-*, leaving *hir-* which was Sktized as *hrīr-*; probably 'hiatus-bridging' *r* is also concerned, § 4.63; the form *hry-apatrāpya* is likewise recorded), see s.v. **apatrāpya**.

**hretavya**, adj.-gdve. (to Skt. *hrī-*; unrecorded; § 34.21), *shameful*: °*yeṣu sthāneṣv āhrikyaparyavasthānam vinodayaty...* Bbh 223.9.
